SUBJECT: Jurisdictional Determination - John C. Stennis Space Center Fee Area,
Hancock County, Mississippi

Mr. Hugh Carr
NASA Environmental Office
John C. Stennis Space Center
BLDG 1100 Room 3021B
Stennis Space Center, Mississippi 39529-600

Dear Mr. Carr:

This letter is regarding your request for a preliminary jurisdictional determination for the subject property which is located in the John C. Stennis Space Center fee area, located in Hancock County, Mississippi.

Based upon the information provided and obtained during a site investigation, we have determined that it appears there are jurisdictional waters of the United States located on the property subject to regulation pursuant to Section 404 of the Clean Water Act. The approximate extent of potentially jurisdictional waters within the boundary of the project area described in your inquiry is depicted on the enclosed preliminary map (enclosure 1). Any work involving the discharge of dredged or fill material (land clearing, ditching, filling, leveeing, etc.) into jurisdictional wetlands and/or other waters of the United States at the site will require a Department of the Army Section 404 permit prior to beginning work. For your information, I have enclosed a copy of an appeals form for this preliminary jurisdictional determination (enclosure 2).

If you have any questions, please refer to identification no. MVK-2016-993 and contact Mr. Jeremy Stokes of this office, telephone (601) 631-5275, fax (601) 631-5459, or e-mail address: jeremy.e.stokes@usace.army.mil.

Sincerely,

- **APPEAL:** If you disagree with the approved JD, you may appeal the approved JD under the Corps of Engineers Administrative Appeal Process by completing Section II of this form and sending the form to the division engineer. This form must be received by the division engineer within 60 days of the date of this notice.

E: PRELIMINARY JURISDICTIONAL DETERMINATION: You do not need to respond to the Corps regarding the preliminary JD. The Preliminary JD is not appealable.
